Digital Subscriptions by Network (Worldwide)

Institutional digital subscriptions are available through Exact Editions. Please contact them at institutions@exacteditions.com for a quote.

Features

Exact Editions institutional subscriptions include a broad range of features for your organization including:

- IP authenticated access – no requirement to login with username and password.
- Remote/EzProxy access for registered users off site, as well as Shibboleth authentication.
- Fully searchable and indexable archive. Search by keyword and using Boolean operators. Each individual page has a persistent URL.
- Detailed statistical reporting provided in the administrator account.
- Extensive linking of each issue, including URLs, e-mail addresses, postcodes and page numbers.
- All the content of each magazine is available on Exact Editions' web portal especially designed for multi-user access, as well as on specialist iOS and Android apps.
- 30-day free trial.
