Slightly Foxed

Companionable and unstuffy, *Slightly Foxed* is more like a well-read friend than a literary magazine. Each quarter it offers 96 pages of lively personal recommendations for books of lasting interest. It's an eclectic mix, and our contributors are an eclectic bunch too. Some of them are names you'll have heard of, some not, but all write thoughtfully and amusingly.

The *SF* archive is a treasure chest – eighteen years' worth of entertaining and original reading recommendations, good humour and good writing.
